中国结构完整性联盟
China Structural Integrity Consortium

ISSI 2021

**2021 International Symposium
on Structural Integrity**
October 8-11, Hangzhou, China

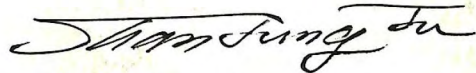

Best Poster Award

*In recognition of
the best poster:*

Creep-fatigue life design and reliability analysis in high-temperature components

submitted by:

Run-Zi Wang, Xian-Cheng Zhang, Shan-Tung Tu, Hideo Miura
East China University of Science and Technology
Tohoku University

Prof. Shan-Tung Tu
ISSI Symposium Series Chairman
Chairman of China Structural Integrity Consortium
East China University of Science & Technology, China

Prof. Zengliang Gao
ISSI2021 Executive Chairman
Zhejiang University of Technology, China
