

ATEM iDICs 2023

JAPAN
AWARA
FUKUI

The Advanced Technology in Experimental Mechanics
and International DIC Society Joint Conference 2023
(ATEM - iDICs '23)

Oct. 9-12, 2023
Awara, Fukui, Japan

The Advanced Technology in Experimental Mechanics
and International DIC Society Joint Conference 2023
(ATEM - iDICs '23)

Oct. 9-12, 2023
Awara, Fukui, Japan

Nondestructive Observation of the Change
of Micro texture of Ni-base Superalloys
under Creep-Fatigue Loading
at Elevated Temperature in the Atmosphere

Hayato Matsuda¹, Hideo Miura² and Ken Suzuki³

¹ Dep. of Finemechanics, Grad. School of Eng., Tohoku University

² Fracture and Reliability Research Institute, Tohoku University

³ Green X-tech Research Center, Tohoku University

Degradation of Integrity of Thin-Film Interfaces
in Advanced Electronic Devices Caused
by Point Defects and Strain

Hideo Miura¹ and Ken Suzuki²

¹ Fracture and Reliability Research Institute, Tohoku University

² Green X-tech Research Center, Tohoku University
